Hi Renee,

CD10 locations:

7th Street and Hobart Blvd  
Normandie Ave and Olympic Blvd

United Site Services is maintaining them once a week.

The mayor might have some locations in CD10, but I don't have the list.

Here's a map link location from LAHSA Homeless Initiative:

Thank you,

Hello Everyone,

I am aware of some council offices renting porta potties & hand-washing stations on their own, LASAN is trying to determine which porta potties & hand-washing stations are deployed by which entity, so we know which stations we may be called upon to assist in servicing, and also to help us determine where we may need additional porta potties, hand-washing stations or hygiene centers. It would be a tremendous help to know where they are and have a complete comprehensive list for the city as a whole so we are not duplicating efforts but working harmoniously.

We know there are porta potties & handwashing stations deployed by the following:

**Mayor's office**

**LASAN**

**Individual Council Offices**

If your office has rented porta potties & hand-washing stations and deployed them in your council district would you please provide me with the list of locations and the company providing the service (i.e. United Site Services)? Are the stations being serviced daily or how often? If I could get your list as soon as possible that would be great! Thanks everyone.

**Much Appreciated,**
